

# Marshall Electronics, Inc.

## Declaration of Conformity

**Product Type:** Rack Mountable LCD Monitors

**Brand Name:** Marshall Electronics Inc.

**Model Designation:** V-LCD4PRO-L, V-LCD8-PRO, V-R151-4P, V-R151P, V-R151P-4, V-R154P, V-R171-4P, V-R171-4P, V-R171P, V-R171P-4, V-R25P, V-R43P, V-R44P, V-R44P-SDI, V-R53P, V-R53P-SDI, V-R62P, V-R63P, V-R63P-SDI, V-R70P, V-R70P-SDI, V-R71PA-SDI, V-R72P, V-R72P-2C, V-R72P-2SDI, V-R72P-SDI, V-R81PA, V-R82P, V-R82P-SDI, V-R84P-SDI, V-RD151

**Manufacturer:** Marshall Electronics Inc.  
1910 E. Maple Avenue  
El Segundo, CA 90245 USA

The product complies with the requirements of the following European directives:

89/336/EEC

Directive of the council on the approximation of the laws of the Member States relating to electromagnetic compatibility changed by directive 91/263/EEC, 92/31EEC and 93/68/EEC of the council.

Compliance was proved by the application of the following electromagnetic compatibility standards:

**EN55103-1 1996 Emission**  
**EN55103-2 1996 Immunity**

73/23/EEC

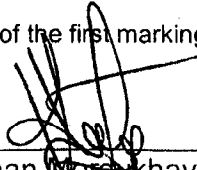

Directive of the council on the approximation of the laws of the Member States relating to electrical equipment designed for use within certain voltage limits changed by directive 93/68/EEC of the council.

Compliance was proved by the application of the following product safety standards:

**EN60950 (1992) +A1:1993 + A2:1993+A3:1995+A11:1997**

Year of the first marking: 2003

Date: March 14, 2003
