4" LCD Color Monitor with speaker

V-LCD4PA

The V-LCD4-PA is a 4" color monitor with built-in speaker and a 1/4" mount removable stand, it adds a new dimension of clarity in viewing high quality video signals in mobile and fixed monitoring applications. It is equipped with sound & brightness controls. An optional battery pack and carrying case are available for field use. Rechargeable battery pack can power monitor for up to 1 hour and 20 minutes. The carrying case is made of weatherproof, padded industrial vinyl to protect the monitor from dust and moisture. Stand is also available as a separate part (V-LCD4-ST).
