UNICAM XE

Portable Viewfinder VFE-P07D

0.7-inch OLED viewfinder with high-performance 3.5-inch flip-type LCD panel, exclusively for UNICAM XE Series cameras. Ideal for low-angle shooting and other positions away from the eyepiece.

Key Features

■ 0.7-inch OLED panel at the eyepiece

0.7-inch high-performance OLED panel with Full HD resolution and fast response at the eyepiece for smooth shooting.

■ High-performance 3.5-inch LCD panel for the flip display

Full HD high-brightness LCD panel delivers excellent visibility.

■ For use as a monitor

In addition to viewfinder use via dedicated VF cable, an HD/3G-SDI input terminal is provided which allows the 3.5-inch flip-type LCD panel to function as an external monitor if necessary when working on location.

Portable Viewfinder VFE-P07D

Dimensional Drawings (Unit : mm)

Main specifications
