7-inch native HD LCD Viewfinder VFL-P700A

VFL-P700A is a 7-inch native HD LCD viewfinder. It is compatible with Unicam HD series cameras such as the HDK-73 and HDK-99. With the high performance LCD panel, the VFL-P700A is the ideal viewfinder for both indoor and outdoor operations.

High Performance LCD Panel

The native HD 1920 x 1080 screen provides easy and accurate focusing. In combination with the wide viewing angle and the quick response, the VFL-P700A enables optimal operability.

Waveform Monitor/Vectorscope

The VFL-P700A viewfinder incorporates a variety of test-related features including a waveform monitor, vectorscope and audio level meter.

External Inputs

Supporting HDMI and 3G/HD-SDI input, the VFL-P700A can be also used as a field monitor.
