

ECO SERIES

EE-DVR08-2

HD Hybrid DVR
8 Channel System

Our newest addition to our fine line of products is the EE-DVR08-2 a 1080p Real-time Triple Hybrid, Digital Video Recorder, that meets the most stringent demands of today's CCTV Professional.

Why Triple the Technology?

Our new **EE-DVR08-2** goes to a whole new level of security recording performance by fully supporting 960H analog video inputs as well as HD-TVI inputs with 1080p high definition resolution.

All that's needed is to utilize your existing analog cameras quality coax cables to connect either your regular 960H analog and/or your HD-TVI cameras delivering megapixel quality video without utilizing considerable IT network bandwidth, dropping packets, or reduced resolution from compression.

FEATURES

- 8 CH HD TVI / Analog video input, 4 CH IP Video Input
- Superlative HD resolution of 1080p Full HD or 720p HD for amazing image quality.
- Playback: 8 CH simultaneously playback
- Recording: 30fps/CH @ 3MP for IP Camera
- HDMI 1080P output
- Backup: USB, IE, CMS,; support multi-file, file cutting when backup
